Vol.2 No.7

Affiliated with the Minnesota Historical Society

Dec. 10, 1968

NEXT MEETING DECEMBER 17, 1968

The next general meeting of the Minnesota Transportation Museum will be held at our own Minnehaha Depot at 8:00 P.M., on Tuesday December 17, 1968. Reports will bring the membership up to date on the status of our acquisitions, the NSP donations, and some optimistic reports of site possibilities which have developed since the formation of a new site study committee.

After the business meeting it will be our privilege to hear a talk by Mr. John J. Wood, Business Manager of the Minnesota Historical Society. Mr. Wood will describe the Historical Societies proposed program for the 1969-1970 biennium, and their proposal to the 1969 Minnesota State legislature. We will be able to learn first-hand of the Historical Societies plans for the development of their Historic Sites program, new developments, and further plans for the maintenance of current projects. This will be the museums first opportunity to learn more about the Minnesota Historical Society, our parent organization, and will give all of our members a better insight into the operations of the MHS and how our Minnesota Transportation Museum fits into the overall plan of the Historical Society. All members are urged to attend this very interesting meeting. And bring a freind!

While were on the subject of meetings, now is a good time to announce that, barring a revolutionary "Coup d' Etat," the annual meeting will be held the third Sunday evening in January, according to the by-laws of the Minnesota Transportation Museum. Circle this date on your calender, and save the evening of January 19, 1969, for this important meeting. This is the meeting where the 1969 officers will be elected, and plans laid out for the comming year. This also begins a new fiscal year for the museum, and dues payments will be welcome. Your current board is planning a program of interest to all with an interest in transportation, and in business in general in the Northwest.

If you have an interest in serving the museum as an officer, or know of someone with just such a secret desire, make your ideas known to the nominating committee by telling Mrs. Frank Sandberg at the Dec. 17 meeting.

This editor and his family wish each of you, and yours, the most joyous of greeting for the comming holiday season. May the new year bring all of us renewed vigor and successes, both as individuals and as an organization intent on building an operating museum.
